REMARKS/ARGUMENTS

Claims 3 to 20 now stand in the application. Former Claims 1 and 2 which had been rejected in view of the prior art have been cancelled without prejudice with the right to pursue such claims in a divisional application. Former Claim 7 which the Examiner had indicated would be allowable has been rewritten in independent form with all the limitations of the claims from which it originally depended. Claims 3 to 6 and 15 which all depend from Claim 7 should now be allowable.

In view of the amendment, it is respectfully submitted that the application is allowable and early allowance is hereby requested.

Respectfully submitted,

Agent on behalf of Applicant
